Mural Application

Any group or individual that wishes to paint or create a mural on an eligible Dallas park location must submit a Mural Application for consideration. The Park and Recreation Board's Mural Policy provides guidelines and criteria pertaining to mural installation considerations. Submitting this application marks the official initial steps for the Park and Recreation Review Committee to consider a mural art installation. Upon review by the Committee, a recommendation to the Park and Recreation Board is given to consider an art mural at the selected Park as described in the policy.
