Flexible schedule allows for changes in engagement; actual timeline may be faster or slower

**ANY ADDITIONAL THOUGHTS ON ORBITER PARK?
SHARE THEM HERE!**

**Use a
sticky note
to share
your
feedback!**

A large, empty speech bubble with a black outline and rounded corners, intended for sharing feedback. The bubble is positioned in the lower half of the page, with its tail pointing towards the bottom left. The interior of the bubble is white and completely blank, providing a space for users to write their thoughts.
