

Flower Room Decor

Dallas Park & Recreation

Supply List:

- Multiple Colors of Construction Paper
- String
- Stapler
- Hole Punch

Instructions:

1. Grab one of the color piece of construction paper and fold it in half 3 times, creating one long strip of paper that should look like an accordion or fan.
2. Take the strip of paper that you have that looks like an accordion and fold that strip in half.
3. Staple it in the middle at the fold.
4. At the ends of each side of the strip cut off a corner (should be the shape of a triangle).
5. Open the fan like paper and staple where all ends meet.
6. Hole Punch two holes about 4 inches apart from each other.
7. Lace string through the holes.
8. Create more flowers and add them to the string.
